

# MPE 113 : Introduction to Medical Professions

**Lecture Hours** 3

**Credits** 3

Experiences in the Introduction to Medical Professions course are designed to provide students with basic information and skills needed for a career in the health care field. In this comprehensive semester course, emphasis is given to the development of competencies related to Career and Technical Education Student Organizations (CTSOs), medical history and events, health care systems, health care careers, qualities of a successful health care worker, medical ethics and legal responsibilities, and nutrition and health.
